FEATURES SUGGESTED FOR ALUMNI PORTAL

Creating a comprehensive and engaging alumni portal for the Lal Bahadur Shastri National Academy of Administration (LBSNAA) requires integrating features that foster community, provide valuable resources, and facilitate networking and professional development. Here is a list of suggested features and facilities:

CORE FEATURES

User Profile
- Personal and professional information.
- Profile pictures and bio.
- Contact details with privacy settings.

Dashboard
- Personalized dashboard with updates, notifications, and relevant content.

Alumni Directory
- Searchable database of alumni.
- Filters for batch, region, department, etc.

News and Updates
- Latest news about LBSNAA.
- Achievements and milestones of alumni.

Event Calendar
- Upcoming events, reunions, webinars, and workshops.
- Registration and RSVP functionality.

Photo and Video Galleries
- Albums from past events and reunions.
- User-uploaded content with moderation.

Networking Opportunities

- Mentorship programs connecting current participants/officer trainees with alumni.

Resource Library
- Access to research papers, publications, and presentations.
- Training materials and video lectures.

Grievance Filing and Redressed Window
- Online window to file grievances regarding pensions, documents etc.

ADVANCED FEATURES

Alumni Stories and Spotlights
- Highlighting success stories and experiences of alumni.
- Interviews and video testimonials.

Mobile App Integration
- A companion mobile app for on-the-go access.
- Push notifications for updates and events.

Interactive Map
- Visual representation of where alumni are located across the nation

Integration of Souvenir Shop merchandise
- Catalogue of all the merchandise available in the Souvenir Shop
- Online ordering mechanism

ENGAGEMENT AND COMMUNICATION

Newsletter integration to get articles and subscribe to the published paraphernalia
